UPCOMING LIGHTING CHANGES IN TITLE 24

Learn about the upcoming lighting changes proposed for the 2013 update to Title 24.

Special Guest Speaker:

GARY FLAMM

Lighting Lead/Supervisor; California Energy Commission

For twelve years, Gary Flamm has been the lighting technical lead for the Building Energy Efficiency Standards, and the Appliance Efficiency Regulations. He has been "in the trenches" and understands the issues, rational, and intent of the lighting Standards. Mr. Flamm has made over 200 presentations and training courses on the Title 24 lighting Standards, and the Title 20 Appliance Efficiency Regulations and is a past President of the Sacramento Section of the Illuminating Engineering Society of North America (IESNA), as well as a member of the Technical Advisory Group for the IESNA Lighting Energy Management Committee. Prior to working for the Energy Commission, he worked for the Sacramento Municipal Utility District (SMUD).
